

Thank you for thinking of the children this Christmas!

DONATION GUIDELINES

Thank you! Your donation will make a significant difference to the spirit and morale of children and their families who are spending the festive season in hospital. When choosing gifts we ask that you please keep in mind that many of these children will be confined to beds or wards, so toys that they can play with straight away are better than ones that must stay in the box (e.g. outside toys, pool toys, skateboards, scooters, bikes, pogo sticks). We suggest you keep each gift to an average cost of between \$5 - \$30 this is to assist with all children receiving a gift of similar value this Christmas season.

Donation Restrictions

For the safety of children and to abide by hospital restrictions, there are unfortunately a number of items we cannot accept. This includes:

- Political, controversial, religious items;
- Items with sharp edges;
- Food or toxic items (no latex);
- Anything with button batteries;
- Knitted Blankets;
- Small objects.

Donation Delivery

Please contact us via details below to coordinate a time for delivery. Please note, cut off for Christmas present donations is Friday 18th December.

Please **DO NOT** wrap your donations as we have to unwrap all gifts to allow us to organise our resources.

Christmas Wish-List

- **Babies and Toddlers (0-24 months)** - Duplo, plush toys, cause and effect toys, V-tech toys, Fisher-Price, kitchen sets, musical toys and toys that light up, flip, push and pull.
- **Younger children (3-7 years)** - Plastic animals and dinosaurs, cars, trucks, individual Barbies, Shopkins, My Little Pony toys, LOL Surprise Gifts, cooking sets, Paw Patrol, Hatchimals, Hot wheels sets, and PJ Mask gifts.
- **Older children (8-12 years)** - Puzzles under 100 pieces, remote control cars, action figures, colouring activity sets, assorted Barbie playsets, Harry Potter gifts, individual craft and stationary packs, and boardgames.
- **Teenagers (13+ years)** - Gift Vouchers, rubix cubes and educational puzzles, teenage Lego, remote control cars, diaries and notebooks, tote bags and backpacks, bluetooth speakers and headphones, hand held games, colouring packs and boardgames.

Reading books for all ages, DUPLO for all ages and LEGO for 7+ is always appreciated!
